Message from the Chair

Welcome to the 2024 Jewish Heritage Festival. After our much-needed post-COVID 2022 Festival, we did not think that circumstances would make the 2024 Festival as urgently needed. However, "in this ever-changing world in which we live in",* this year's Festival seems even more urgent for the Jewish Community and supporters of Israel. The post-October 7th world has not only put the Jewish people's homeland in jeopardy, but has also allowed festering antisemitism to flourish, becoming more pervasive in the United States and the world. Thankfully, our Jewish community has great support from Sheriff Chitwood, our other elected officials and the greater Volusia/Flagler community in combatting any potential local effects.

The Festival started as the vision of the Temple Presidents' Council for Volusia and Flagler Counties. A Steering Committee began meeting in January, 2007 leading to our first event in March, 2008, which was a rousing success that attracted 10,000 visitors. As one of our food vendors told the Daytona Beach News-Journal: "This is better than Bike Week". Even with the COVID pause, we are now presenting our heritage for the 8th time!

The Festival is a 501(c)(3) non-profit corporation with the sole purpose to put this Festival on every other year. Festival funding has come from Sponsorships and tax-deductible Family/Individual Donations. We are proud once again to have the Endowment Fund of the Jewish Federation of Volusia and Flagler Counties as our Grand Sponsor as well as great local support from corporate and individual sponsorship.

Radiology Associates Imaging is again the presenting sponsor of the Health Fair, and we thank them for that! We are excited by the response of our medical community as they share the Jewish spirit of *Tikkun Olam* - to repair the world.

The Festival features continuous nationally acclaimed entertainment. Attendees can feast on Kosher, Deli-style and Mediterranean food. We have arts, crafts, packaged foods and Judaica vendors, Jewish Organization booths, speakers and exhibits including a Holocaust Memorial. Our Jewish Hall of Fame is a multidimensional display that includes a Shtetl exhibit, an Israel exhibition, Torahs and much much more! Children's entertainment is available throughout the day including a Matzah making interactive demonstration, inflatables, face painting, a balloon artist, a petting zoo and our signature camel rides. You will even run into Moses and other biblical characters!

The Festival expresses the heart and soul of Jewish Florida. For a single day, it intertwines the sounds, sights, and spirit of Jewish culture and weaves together every facet of the Jewish Community, young and old, singles and families, regardless of their religious and cultural background. Like other cultural festivals, we also want to share our heritage with others - you don't have to be Jewish to enjoy a Jewish Festival! Let's celebrate Jewish Heritage.

Shalom y'all and L'Chaim!

In Memoriam Claire Soria

MAY 22, 1935 – SEPTEMBER 12, 2023

We have been honored to have Claire Soria as a spokesperson who shared her experiences as a Holocaust survivor with us at the last three Jewish Heritage Festivals.

Claire considered herself one of the lucky ones. Claire Soria would light up the room with her presence. Our speaker room would be standing room only. As she told her story you couldn't hear a pin drop.

Once after a speech, a 7 year old girl asked her, "Why do you not hate, especially after all the hatred you have seen in your life?" She looked deeply into this young girl's eyes and said "If you hate, they win." She loved to share her story and showcase her unshakable, positive attitude with hope and confidence in the good of people everywhere.

Claire Soria (born May 22, 1935) was a young child living in Brussels, Belgium when the Nazis sent tanks down her street and replaced the Belgian flags with the Nazi flags.

Once the Nazis took over, Jewish children like Claire were banned from attending school. All Jews were forced to wear a yellow star of David and were restricted from doing ordinary activities such as

meeting with each other, worshipping the Jewish religion, and shopping after dark.

Claire's father Nathan/Nachman Mytnowiecki was a tailor who was secretly involved with the underground resistance. Claire's mother Sara asked a neighbor, a Christian couple, Lea and Lambert Sabaux, if they would hide Claire and they agreed. Nathan and Sara were arrested and deported to Auschwitz where they ultimately perished.

This elderly righteous gentile couple risked their lives hiding Claire, raising her as their own granddaughter. The Sabauxs were musicians – Lea, a former concert pianist, and Lambert, a drummer – who instilled in Claire a lifelong love for playing piano.

After the war, Claire was sent to the US near Cleveland to live with her aunt and uncle at the age of thirteen. She struggled to adapt and bounced around during her teenage years, not speaking any English but eventually found the love of her life, Gerard Soria, and had three children. She also took that learned passion and became a

beloved community piano teacher. Claire is survived by her children - Robert, Rita and Maxine - as well her eight grandchildren and seven great-grandchildren.

Claire Soria passed away on September 12, 2023, surrounded by the family she persevered to create. We will never forget her.

For Claire's complete story as told by her, you can find the Born To Remember podcast.

In Memoriam Jerry & Esther Krueger

Two of our original Board of Directors, Jerry and Esther Krueger, passed on in 2023. Both were enthusiastic, tireless workers who especially loved to spread the word of the Festival by passing out

flyers and posters all along the beachside as each Festival approached.

Jerry and Esther were married 75 years, and, like most inseparable couples, passed within months of each other in 2023. They moved to Daytona Beach to live closer to family in the area. These two stayed active from when they met in 1946, with a life full of extraordinary careers behind them and a busy schedule in Daytona working with WISE (Wisdom In Senior Education) at Daytona State College as well as our Festival. Jerry was also treasurer of Temple Israel.

Jerry was a WW2 veteran who served in the Army Air Corps as a flight radio operator. When the war ended in 1945, he had just two years of college under his belt. Through the GI Bill, he was able to attend Rutgers University Law School on an accelerated program that allowed him to obtain his law degree in two years. During this time, his aunt met the mother of his future wife Esther, who provided her number to him. Esther was a Cadet nurse who had trained to be a registered nurse during the war. A week later, Jerry's brother had tickets to a Dinah Shore show in New York City but required Jerry to bring a date. He decided to call Esther to see if she would join him. She said she would only go if he met her in person, so he went to the hospital where she was working in New Jersey. They walked around the grounds during her break that day. That day marked the beginning of their over seven-decade relationship. The two were married in 1947 and had their first of three children in 1948.

Jerry practiced law for many years. Esther went back to school to get her BA degree and taught at Jersey City State college. She received her master's at Montclair State College and doctorate at Columbia University. She taught at Kean University in New Jersey, retiring in 1965. While working at his private practice, Jerry was asked to run for councilman of Linden, NJ; he won the position and served for two years. He was then elected as President of the City Council and later was elected to the State of New Jersey legislature for a year. With this experience, he became the city attorney for the city of Linden for almost 30 years while still maintaining his private practice. Jerry retired at the age of 91.

The key to a healthy and happy life and marriage, Jerry would say, "is to have love, mutual respect, encourage each other in whatever they want to do, meet new people, enjoy your relatives and friends, engage in meaningful activities and stay involved with your community."

Jerry and Esther will be missed.

ROCK-N-ROLL KETTLE CORN

Jews are a famously accomplished group. They make up 0.2 percent of the world population, but 54 percent of the world chess champions, 27 percent of the Nobel physics laureates and 31 percent of the medicine laureates.

Jews make up 2 percent of the U.S. population, but 21 percent of the Ivy League student bodies, 26 percent of the Kennedy Center honorees, 37 percent of the Academy Award-winning directors, 38 percent of those on a recent Business Week list of leading philanthropists, and 51 percent of the Pulitzer Prize winners for non-fiction writings.

The Jewish American experience is a story of faith, fortitude, and progress. It is a quintessential American experience – one that is connected to key tenets of American identity, including our Nation’s commitment to freedom of religion and conscience. This month, we honor Jewish Americans – past and present – who have inextricably woven their experience and their accomplishments into the fabric of our national identity.

Generations of Jewish people have come to this Nation fleeing oppression, discrimination, and persecution in search of a better life for themselves and their children. These Jewish Americans have created lives for themselves and their families and played indispensable roles in our Nation’s civic and community life, making invaluable contributions to our Nation through their leadership and achievements.

TEMPLE BETH SHALOM AT PALM COAST

Temple Beth Shalom (TBS) was established by eighteen Jewish families in 1973, when the city of Palm Coast was in its early years of development. Construction of the current building on three acres of Wellington Drive followed in 1980. For the past 50 years, our beloved Little Shul in the Woods has been the center of Jewish life in Flagler County.

A modern, egalitarian synagogue, TBS embraces the practices of traditional Judaism, though we are unaffiliated with any denominational stream. Our members come from a diverse background of Jewish practice and traditions, from Orthodox to Reform, yet we come together simply as Jews. We are proud of our heritage and honor our traditions. We value our spiritual community that welcomes everyone and respects differing opinions in a tolerant and friendly atmosphere.

We gather together to pray and study, explore the meaning of Torah in our own lives, share and commemorate life's significant events, celebrate holidays, and participate in a variety of educational and social events. Members of both the Jewish and non-Jewish communities are welcome to many of these activities, which include such popular events as the Blessing of the Pets, Men's Club Rummage Sale, Chanukah Latkes Dinner, and annual holiday gatherings involving the students in our weekly religious school classes, such as the Purim Costume Party and Megillah Reading.

As Rabbi Rose Eberle retires after five years of dynamic, exemplary service, we are pleased to welcome Rabbi Karen Tashman as the next spiritual leader of Temple Beth Shalom. Moving into the next phase of growth and service to the Jewish community of Flagler County, we look forward to welcoming you and your family to our Little Shul in the Woods in Palm Coast. Call and/or stop by for a visit and in the interim keep track of all our news and activities at www.tbspalmcoast.org and/or on Facebook.

CONGREGATION B'NAI TORAH

Congregation B'nai Torah is a progressive, conservative synagogue located in Ormond Beach which has successfully blended the long-honored traditions of Judaism with the 21st Century. Rabbi S. David Kane has led this multigenerational congregation since 1998 serving as its dynamic spiritual and education leader. The Congregation's mission statement, "Together we honor G-d and Torah, Promote Spiritual Growth, and Strengthen Our Community," is reflected in the synagogue's many activities and committees.

Services are held every Friday evening at 7:00 PM and every Saturday morning at 10:00AM. Visitors are always welcome to attend services. As always, our religious services with Rabbi and Cantor Rich (on Zoom) continue to lift us up spiritually via our website www.mybnaitorah.org.

We were honored to add a media center this year in honor of Dr. Jack and Ilene Rotstein. We continue to refine and improve our space to make it as utilitarian as possible.

The Religious School, under the leadership of Rabbi Kane, Helen Farb and Virginia Horowitz, had lots of students, parents and volunteer participation. They prepared for all the holidays and rituals by tasting holiday foods, making decorations, learning rituals and music. We have classes for preschool through 5th grade. Rabbi Kane prepares each middle school student for Bat/Bar mitzvah. They are also able to lead Friday Shabbat services and Saturday morning services.

Our Men's Club has thrived under the leadership of Mark Givarz. He ran many planning and brainstorming sessions and produced many wonderful projects and programs for our congregation. The Men's Club was instrumental in helping at the Hard Rock Hanukkah party. Another first was "The Worldwide Wrap," a workshop where all could learn how to put on Tefillin. Again, we participated in the Yom HaShoah candle project to remember those who perished in the Holocaust.

Our Sisterhood has been the backbone of our congregation and always worked quietly behind the scenes to do so much for our CBT family. They are a major contributor to CBT through our fundraising projects, providing refreshments for most of our functions, helping with all aspects of our congregational life such as Onegs, Kiddush luncheons as well as holiday dinners. We are looking forward to many wonderful exciting new events under the new leadership of Barbara Kusnick.

Visit our booth to pick up a copy of our March Torah Times and new membership forms. Check out our Sisterhood's Judaica Shop and create a Seder plate with our Religious School.

#NeverAgainIsNow

JEWISH HALL OF FAME TENT

Welcome to Israel Exhibit

Known as “the land of milk and honey”, “the promised land” and “start up nation”, Israel is a nation of under 10 million people and over 7 million of the world’s 15.7 million Jews. It is a small nation forced to fight for its existence and security since its founding. It is the ancestral land of the Jewish people and, in many ways, the birthplace of 3 monotheistic religions.

While it is the most highlighted and criticized nation in the international community, it is also rated near the top of every happiness study, across all age groups. Unlike many wealthy democracies, Israel’s population is young and growing and has one of the highest life expectancies and lowest rates of suicide and substance abuse.

Admired for having the world’s highest density of high-tech start-ups, Israel’s greatest asset may be its resilient population. While anti-Zionism seems to have become the latest worldwide pandemic, the people of Israel persevere.

In our Festival Israel Exhibit, we will highlight some of Israel’s great accomplishments and we will have a display of the remaining hostages held by Hamas. You can have your English name written in Hebrew on a Certificate.

“I will make you a great nation, and I will bless you and make your name great. I will bless those who bless you, and curse those who curse you. In you all the families of the earth shall be blessed.” Genesis 12

Come celebrate the greatness of Israel with us!

SIGHTS, SOUNDS & SYMBOLS OF JUDAISM

The sights, sounds and symbols of Judaism have been passed down from generation to generation so they represent what defines and distinguishes our people. Many items on display have been loaned from private collections. We hope their beauty, splendor, and what they represent will inspire you.

The TORAH SCROLL- How is it written and put together.

Please join Rabbi Simon, Interim Senior Rabbi at Temple Beth-El in Ormond Beach, from 1:00 and 2:00 p.m. to see firsthand a Hebrew Torah Scroll and learn how it is made. You will also learn about the sofer (*scribe*) who does the writing of the scroll and how it can take them one year (or more!) to complete the Torah scroll.

Inside

Life in the

**A Presentation by
Award Winning Photojournalist Karen Sandvick**

The history of the oldest Eastern European shtetls began about a millennium ago and saw long periods of relative tolerance and prosperity as well as times of extreme poverty and hardship.

Not only did the Jews of the shtetl speak a unique language (Yiddish), but they also had a unique rhetorical style, rooted in traditions of Talmudic learning.

THE HOLOCAUST EXHIBIT

The United States Holocaust Museum states that The Holocaust was the systematic, bureaucratic, state sponsored persecution and murder

of approximately six million Jews by the Nazi regime and its collaborators. During the era of the Holocaust, the Nazis, who came to power in Germany in January 1922, also targeted other groups because of their perceived "racial inferiority" such as Gypsies, the disabled, and Slavic peoples (Poles, Russians). Other groups were

persecuted on political, ideological and behavioral grounds such as the communists, socialists, Jehovah's witnesses and homosexuals.

Between 1941 and 1944, Nazi German authorities deported millions of Jews from Germany, from occupied territories, and from the countries of many of its Axis allies to ghettos and to killing centers, often called extermination camps, where they were murdered in specially developed gassing facilities.

The Holocaust is a grim reminder of the senseless systematic murder of millions of innocent people and of all humanity lost.

"Henriette's Letters" - "Our Story" 12 photos and explanatory panels from the Holocaust Resource and Education Center in Maitland which tell the stories of 11 women who survived the Holocaust and then

settled in central Florida. One of the survivors of Auzchwitz was Tess Weiss who founded and directed the very first Holocaust Museum in the United States, the Holocaust Resource and Education Center in Matiland. She passed in 2023.

DIMENSIONS IN TESTIMONY

Presentation by Stephen Poynor

USC Shoah Foundation's **Dimensions in Testimony**SM enables people to ask questions that prompt real-time responses from pre-recorded video interviews with Holocaust survivors and other witnesses to genocide. The pioneering project integrates advanced filming techniques, specialized display technologies and next generation natural language processing to create an interactive biography. Now and far into the future, museum-goers, students and others can have conversational interactions with these eyewitnesses to history to learn from those who were there.

The program consists of a Holocaust survivor Pinchas Gutter on a laptop not a hologram... and people can ask questions and the Holocaust survivor on the laptop responds. The Holocaust survivor's answers were prerecorded.

Pinchas

Stephen Poynor serves as the Director of Education at the Holocaust Memorial Resource and Education Center of Florida. In his role, he plays a vital part in helping Florida school districts effectively implement the Florida mandate for Holocaust Education through collaborative educator training, direct student instruction, and curriculum design.

Notably, he also contributed his expertise to the Commissioner of Education's Task Force on Holocaust Education, in the development of the new State of Florida standards for Holocaust Education.

We will be showcasing Dimensions in TestimonySM which enables people to ask questions that prompt real-time responses from pre-recorded video interviews with Holocaust survivors and other witnesses to genocide. The pioneering project integrates advanced filming techniques, specialized display technologies and next generation natural language processing to create an interactive biography. Now and far into the future, museum-goers, students and others can have conversational interactions with these eyewitnesses to history to learn from those who were there.

Steve is the former creative/marketing director of The Associated: Jewish Federation of Baltimore. He is the Program & Events Chairman of the Temple Beth-EL Brotherhood and Co-Chairman of the Advisory Council of the Daytona State College Foundation Wise Program.

As European nations raced westward in a mad rush for colonies, The Caribbean became a pirate’s paradise during the 16th-17th centuries. Many of these pirates were Spanish & Portuguese Jews escaping The Inquisition. Driven by an insatiable thirst for revenge against the Spanish government, they wreaked havoc on their fleets & terrorized their shipping lanes. Legendary names like Sinan Reis, Shmuel Palacci, Moses Cohen Henriques, Hayreddin Barbarossa and Jean Lafitte stalked the waters on ships named Prophet Samuel, Queen Esther & Shield of Abraham. One of those notorious pirates was Steve’s ancestor.

12:45 p.m. Bea Schemer

“Surviving the Holocaust”

Bea is a member of Temple Beth-El and is on the board of The Advisory Council of the Daytona State College Foundation Wise Program. From her birth in Bavaria, Germany to her family’s escape to Cali, Colombia, South America and finally sanctuary in the United States, Bea will tell her story of a young Jewish

girl witnessing the rise of Nazism and Adolph Hitler as well as her experiences living under the Nazi regime and its effect on her family.

2:00 p.m. Suzanne Schneider
"Life as a Holocaust Survivor"

Suzanne was born in Poland in 1937 as an only child. After Germany's invasion of Poland, Suzanne's family was forced into the ghetto and lived under constant fear of deportation to a Nazi concentration camp. After treating the child of a local Polish woman and her mother, Suzanne's father asked if these women would be willing to hide his wife and child in their home. The family agreed. The only place they had in their home safe from view of the outside was a chicken coop in the back of the house, where they would remain hidden for nearly a year.

3:15 p.m. Ken Tubertini
"The Jewish Resistance"
Jewish Resistance, the real heroes of the Holocaust.

Ken Tubertini is a Holocaust historian. He taught the Holocaust course at Vineland High School for 24 years and Graduate Holocaust Studies at The College of New Jersey and Ramapo College. ACKNOWLEDGEMENTS 2024

The Jewish Heritage Festival wishes to acknowledge special efforts made by volunteers outside of its Board of Directors. The Festival could not take place without the assistance of over 200 set-up, break-down and day of the event volunteers. The Festival also would like to acknowledge the following special volunteer efforts and donations:

Administrative Support - This Festival would not have taken place without the tireless administrative support from Corporate Sponsor Smith Bigman Brock, especially Stacey Castillo and Michele Ward.

Corporate Sponsors - Without all of our Corporate Sponsors this Festival would not be financially viable. Special thanks go to our Grand Sponsor, the Endowment Committee of the Jewish Federation of Volusia & Flagler Counties.

Marketing & Advertising - The Marketing Team would like to thank all the great publications, broadcasters and vendors who enthusiastically supported us on this project, including Dale & Joan at Associated Printing, Terry & Cindy Turner at Flagler Broadcasting, Karynne Baker of The Daytona Beach News Journal, Jeretta Kimberlin at Hometown News, Jeff Gaeser of Heritage Florida Jewish News, Edee Dalke of Stroll Ormond Beach Waterfront, and Norm Pytel, Tami Salame and Naresh Mangar at Spectrum Reach.

Security - Our thanks to the Sheriff Michael Chitwood, the Volusia Sheriff's Department, Chief Jesse Godfrey, and the Ormond Beach Police Department for going above and beyond for this festival.

Printer - Thanks to our printers, Dale and Joanie, at Associated Printing & Graphics, who worked tirelessly to meet our unrealistic deadlines.

Temple Israel of Brevard County - We wish to thank Temple Israel of Brevard County for loaning poster boards, which were previously stored by the Jewish Federation of Brevard County. These poster boards add a great deal to our Holocaust Exhibit and Welcome to Israel Exhibit. The scope of our display is due to their cooperation and generosity in loaning them to us.

The Casements - Siobhan Daly, Cultural Center Coordinator for The Casements has worked with us every step of the way. She guided us through all the details from filling out all the required forms and red tape needed with the City of Ormond Beach. With her vast experience she made suggestions regarding security, waste, signs allowed by the city, sign makers, places to park, and people to help us on so many issues and more. Siobhan is a real treasure to our community. Sometimes we wonder if she gets time off, for she works weekends when she is needed for every festival. It would be hard to imagine how this festival could have come together without Siobhan and Sam Dehill, their new Director of Special Events.

Lotus Boutique Inn & Suites - Thank you for providing discounted rooms for our entertainers and speakers.

Debbie Kruck-Forrester - Thanks to Debbie Kruck-Forrester of Ormond Strong for the loan of her Israeli Hostage's exhibit and for her great support of Israel and the Jewish Community.

Thank you - On behalf of the Board of Directors, we thank everyone else who assisted the Festival and is not specifically mentioned here and those of you that attended our Festival.

See you again in 2026!

Festival Chair, Jeffrey Bigman
